

Katun Performance™ Monochrome Toner for use in

Utax LP 3240 / Triumph Adler LP 4240

Printers & MFPs

Katun PN: See Page 2 • OEM PN: See Page 2

This Katun® monochrome toner provides outstanding print quality and performance in Utax LP 3240 and Triumph Adler LP 4240 series printers!

Katun introduces a new monochrome printer toner for use in Utax LP 3240 and Triumph Adler LP 4240 series printers and MFPs to our line of high-quality monochrome toners for Utax and Triumph Adler machines. This new Katun Performance™ toner provides outstanding performance, remarkable print quality and significant cost savings for a popular line of applications. To enable full compatibility with managed print systems (MPS), these new-build Katun Performance™ cartridges come standard with a chip, similar to the OEM cartridge.

Benefits:

◆ **Toner Performance You Can Trust**

This Katun Performance™ new-build toner cartridge has been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing performance. The toner formulation for this specific product has been formulated to help improve performance in situations where customers are converting from OEM to Katun toner for the first time.

◆ **Reduce Your Supplies Costs**

If you are looking for ways to gain a competitive advantage, look no further. These products offer excellent performance at significant cost savings, which means you can improve your profitability without sacrificing quality.

◆ **Consistent Quality and Performance**

This new-build toner is the result of Katun's commitment to quality and provides the same outstanding performance and remarkable print quality that is synonymous with Katun Performance™ branded new-build toner cartridges.

◆ **A Growing Line You Can Count On**

Katun's line of products for use in Utax/Triumph Adler printers continues to expand with the introduction of this highly anticipated new toner cartridge. Utax and Triumph Adler dealers who have successfully utilized previous Katun toner cartridges because of consistent performance, high print quality and significant cost savings, will be equally satisfied with this new Katun toner cartridge.

Machine Overview

First introduced in February 2009 as the Utax LP 3240 and Triumph Adler LP 4240 printers, these machines were targeted for small to mid-sized workgroups that required quick and reliable monochrome devices. These printers offer output speeds of up to 42 ppm with a relatively quick first page out time of 10 seconds. The multifunctional devices introduced in 2010 and 2011 offer end-users the same excellent output quality with the increased capabilities of scanning and copying along with faster first page out times.

Models	Intro	Speed (PPM)	Mfg Status	Functions
Utax LP 3240	Q1 2009	42	Discontinued	Print
Utax CD 1340/1440	Q2 2010	40	Discontinued	Scan, Print, Copy
