*Note: Products shown represent Katun products in this category.*

Katun is pleased to introduce a Katun® Performance™ drum for these popular Toshiba color applications. This drum offers OEM-equivalent performance at a significantly lower cost than the OEM drum – providing Toshiba dealers with an outstanding profit opportunity for this large machine base.

#### Benefits:

##### ◆ OEM-Equivalent Quality and Performance

Dealers will receive OEM-equivalent results throughout the life of this Katun® Performance™ OPC drum for this popular Toshiba color series. The Katun® Performance™ drum also provides print quality, image density, backgrounding, and half-tone reproduction equivalent to that of the Toshiba drum.

##### ◆ Improves Cost-Per-Copy

By using this Katun® Performance™ drum, dealers can easily lower their overall cost-per-copy and increase profitability, without compromising output quality, yield or customer satisfaction. Toshiba dealers installing this drum will gain a competitive cost edge over dealers installing the higher-priced OEM drum.

##### ◆ Commitment to Quality

Katun's reputation is not only built upon providing high-quality/ high-value products, but also on a commitment that our time-tested quality control processes will never be compromised. This Katun® Performance™ drum provides consistent performance, print quality, and yields to dealers that demand OEM-equivalent performance.

##### ◆ Best Value

Count on Katun for excellent performance, lower costs and outstanding customer service. Katun® Performance™ – your best value!
