

Katun® Performance™ Color Toners for use in

Brother HL 4040-series

Printers & MFPs

Katun & OEM PNs: See page 2

These Katun® color toners provide outstanding print quality and performance in Brother HL 4040 printers!

Note: Products shown represent Katun products in this category.

Katun introduces high-quality color toners for use in popular Brother HL 4040-series printers and MFPs. This remanufactured Katun® Performance™ color toner set provides outstanding performance, remarkable print quality, and significant cost savings. Although these printers are no longer actively being sold by Brother, this Katun® color toner set still provides dealers with immediate profit opportunities on a popular color application.

Benefits:

◆ Choose Katun® Color Toner for Consistent Quality and Performance

You can trust Katun for color – this color toner set has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Color quality
- Image quality & density
- Yields
- Fusing performance

◆ Katun's Toner Formulation for Brother Printers Provides Vibrant Color Reproduction

Using toners developed specifically for the Brother HL 4040-series printers ensures industry leading image quality and color reproduction, ideal for small office or workgroup color printing environments.

◆ High Quality Remanufacturing

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun® Performance™ toner seamless for your customers. All remanufactured Katun® Performance™ toner cartridges are developed, remanufactured and tested according to Katun's strict quality guidelines to ensure consistent quality and performance.

◆ Extensive Line of Consumables for use in Brother Printers

Katun offers a growing line of toner cartridges for use in today's most popular Brother monochrome and color printers, enabling you to meet the printing supplies needs of all your customers – whether large or small.

Machine Overview

In 2007, Brother introduced the HL 4040 printers and DCP, MFC series of multifunctional devices. These machines are small enough to fit on a desktop and are designed for homes or small offices and workgroups. They offer fast print speeds up to 21 ppm and have a first page print time of 17 seconds or less.

Model	Intro	Speed (PPM)	Mfg Status	Functions
HL 4040 CN	Q2 2007	21	Discontinued	Print
HL 4040 CDN	Q4 2008	21	Discontinued	Print
HL 4070	Q2 2007	21	Discontinued	Print
DCP 9040	Q4 2007	21	Discontinued	Fax/Print/Scan
DCP 9045	Q4 2007	21	Discontinued	Fax/Print/Scan
MFC 9440	Q2 2007	21	Discontinued	Fax/Print/Scan
MFC 9840	Q3 2007	21	Discontinued	Fax/Print/Scan

Product Characteristics
