

# Katun® Performance™ Monochrome Toners for use in

## Samsung ML-3470/3471-Series

### Printers

Katun PNs: 37972, 37973

OEM PNs: ML-D3470A, ML-D3470B

## This Katun® Performance™ remanufactured toner cartridge provides excellent print quality and cost savings!

The introduction of this Katun® Performance™ toner cartridge for use in Samsung ML-3470/3471-series machines expands Katun's growing product offering for use in Samsung printers. This remanufactured monochrome toner cartridge provides outstanding print quality, OEM-equivalent yields and a very competitive cost per print.

### Benefits:

#### ◆ Toner Performance You Can Trust

This Katun® Performance™ remanufactured toner cartridge has been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing performance. You'll receive industry-leading performance from this reliable, profitable OEM alternative.

#### ◆ High-Quality Remanufacturing

Katun® Performance™ toner for Samsung ML-3470-series machines is produced according to Katun's proven remanufacturing process. Each cartridge is the result of an exhaustive multi-step process that incorporates various ASTM, STMC, and ISO quality guidelines to ensure OEM-equivalent performance.

#### ◆ Significant Cost Savings

In today's economic environment, every organization is looking for cost savings and other competitive advantages. This remanufactured Katun® Performance™ toner offers you just that – significant cost savings versus OEM supplies, without sacrificing quality or performance.

#### ◆ Two-Year Warranty

Katun® Performance™ printer products are backed by our no-risk, two-year warranty and over thirty years experience as the world's leading alternative supplier to the imaging industry.

## Machine Overview

In 2007, Samsung introduced the ML-3470/3471-series printer, a highly reliable machine that is efficient and priced competitively. Currently, in Western Europe there are approximately 190,000 machines in the field. The machine is compact in size and ideal for home office and small business workgroups. This printer uses a 400Mhz processor and produces print speeds up to 33 ppm for A4 and 35 ppm for letter. This machine also has a built in duplexing feature.

| Model                                   | Speed (ppm) | Intro Date | Mfg Status   | Markets                       | Maximum Monthly Volume | Functions |
|---|-------------|------------|--------------|-------------------------------|------------------------|-----------|
| ML-3470 D, ND                           | 33 (A4)     | 2007       | Discontinued | Europe                        | 50,000                 | Print     |
