

Katun® Performance™ Color Toner for use in

HP LJ Enterprise M750-series

Printers

Katun PN: See Page 2 • OEM PN: See Page 2

You'll receive great color reproduction and performance with these toners for use in HP M750 printers!!

Katun introduces a group of new color printer toners to our comprehensive line of high-quality toners for use in HP printers. These remanufactured Katun Performance™ color toners provide outstanding performance, remarkable print quality and significant cost savings. As the printers are still being currently sold by HP, they also provide dealers with immediate and long term cost savings and profit opportunities.

Benefits:

◆ Choose Katun Toner for Excellent Performance

You can trust Katun – these new color toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & color reproduction
- Yields
- Fusing performance

◆ Reduce Your Supplies Costs

Every business, whether large or small, is looking for ways to gain a competitive advantage. These toners offer outstanding performance at a significant cost savings, which means you can improve your profitability without sacrificing quality.

◆ Consistent Quality

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance toner seamless for your customers. All Katun Performance toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ A Growing Line for HP Applications

Katun offers a comprehensive line of toner cartridges for use in the most popular HP monochrome and color multifunctional equipment. Katun is your one-stop shop for all your imaging supplies needs.

Machine Overview

Introduced in late 2013, this series of 30 ppm multifunctional devices is ideal for mid-sized workgroups that require a color printing in a higher volume 11x17 capable device.

Model	Intro	Speed (PPM)	Mfg Status	Functions
LJ Enterprise M750 series	Q4-2012	30	Current	Print

Product Characteristics

Model	Color	OEM PN	Katun PN	Yield*
LJ Enterprise M750 series	Black	CE270A	48253	13,500
	Cyan	CE271A	48254	15,000
	Magenta	CE273A	48255	15,000
	Yellow	CE272A	48256	15,000

**Actual yield may vary depending on machine application, as well as machine, environmental and usage conditions.*

Important Note

HP offers this toner series (CE270-273A) as a universal product that functions in both the newer M750 series as well as the other CP 5525 models. This Katun toner is compatible only with the M750 model family and cannot be used in the older CP 5525 series. For the CP 5525 models, Katun offers a separate toner set (Katun Part Numbers 43600-43603).
