Improvements Enrich Your Online Experience

- Convenient, quick and easy to use
- Enhanced visibility of Katun's comprehensive service accessories product offering
- User-friendly navigation
- Smart Search Tool - Search by part number, category, brand, key word(s), & more!
- Find complete product details and additional product information

The Katun Online Catalogue is Great for All Your Needs

Enhancements to the Katun Online Catalogue Make Ordering Online a Breeze!

- Detailed, easy to read and robust product descriptions
- Intuitive searches help you find exactly what you're looking for - quicker than ever
- Increased visibility to other applications for each product make it easy for you to find essential product information
- Katun's comprehensive product offering will fulfill all your imaging needs

Katun's products provide dependability and excellent performance – all at an outstanding value.

KATUN®

Vacuums

Katun by SCS Vacuums

Katun by SCS Vacuums are the service engineer's choice for efficient cleanup. Portability, quick setup, and efficient, safe operation are key features of every vacuum. Technologically advanced vacuum materials dissipate electrostatic buildup, thereby reducing the risk of shock damage to sensitive electronic equipment while protecting the service technician from electrostatic discharge.

- Type 2 filter
- Detachable power cord
- Stretch hose
- Crevice brush and nozzle
- Curved wand nozzle
- 3-year warranty

Katun by SCS Filters & Accessories

SCS configures filters with thin fibers in two different weaves to trap specific sizes of particles, and designs filter cartridges for easy installation and safe disposal.

Type 1: Fine Particle Filter. A highly concentrated weave (HEPA media) traps extremely fine particles. The Type 1 filter is designed for cleaning color laser printers, color copiers, and other highly sensitive machines that utilize toners of extremely fine particle size.

Type 2: Toner/Dust Filter. The Type 2 filter efficiently traps toner used in standard copiers and laser printers. It is also ideal for cleaning typewriters and data processing equipment. Type 2 is the standard filter type included with all SCS service vacuums.

SCS Vacuum Accessories are designed to perform their intended tasks safely and efficiently, and are constructed of durable materials that withstand intensive use. Attachments fit all SCS, Ultivac, and Atrix service vacuums.

Vacuums

Ultivac Vacuums

Katun offers several UltiVac™ vacuum models that deliver powerful, cost-effective performance. These highly affordable service vacuums are designed with durable latches and hinges, and are ideal for virtually any office equipment cleanup task.

From the UltiVac Jr. to the high-capacity service vacuum, Ultivac vacuums provide sufficient power for demanding cleaning tasks, plus a stretch hose and flexible wand tool for effectively reaching hard-to-clean areas.

- **Durable hinges, latches, and styrene case ensure excellent impact resistance and long life.**
- **100% static grounded for safe operation**
- **High quality motor provides efficient, powerful cleaning.**
- **Automatic reset feature protects motor against overheating.**

Ultivac Filters & Accessories

Katun OmniFit® Filters are universal filters designed to trap toner, dust, and other particles and fit UltiVac™ and UltiVac Deluxe™ vacuums. Standard filter rated 99.5% efficient for particles 2.0 micrometers and above. Excellent for black toner filtration.

The Omnifit High-performance filter rated 99.99% efficient for particles 0.9 micrometers and above. Excellent for color toner filtration.

UltiVac Jr. Filters are specially designed for use in the UltiVac Jr. vacuum. The plastic filters are excellent for black and color toner filtration, and the HEPA filters are safety-rated to clean ultra fine toner. The standard filter has a 0.3-micrometer retention capability for effective office equipment cleanup. Safe and easy to use. HEPA filters include sealing plug for clean disposal.

Atrix Service Vacuum Accessories are designed to perform their tasks safely and efficiently, and are constructed of durable materials that withstand intensive use.

Screwdrivers

Katun provides only high-quality precision Phillips and flat tip screwdrivers, and service technicians notice the difference. The fit is perfect every time; tips provide maximum grip within the screw slot. Katun provides a variety of screwdrivers because we know the right tool is the tool best suited for the job – and not all jobs are the same. All handles are perfectly sized according to blade length, for maximum turning power without slipping or fatigue.
