# Choose Katun's Media Sciences® Color Toner for Your Laser Printers!

Katun carries Media Sciences® brand color toner for most of today's popular laser printers.

For more than three decades, Katun has been one of the world's leading providers of OEM-compatible imaging supplies and parts for copiers, printers, MFPs and other imaging equipment. Today, Katun serves 16,000 customers in 135 countries from our headquarters in Minneapolis and dozens of worldwide locations.

## New-Build Color Laser Toner Cartridges ▶

As a premium quality alternative to the printer manufacturer's brand, Media Sciences® **new-build** color toner for use in popular color printers deliver significant savings compared to the printer manufacturer's brand. Behind every Media Sciences® printer product is our comprehensive qualification process for engineering high-quality, **new-build** color cartridges at very competitive price levels.

## Media Sciences by Katun Color Toners ▶

These **remanufactured** toner cartridges provide the same high-quality performance and value that customers enjoy from current Media Sciences® new-build color toners. These color toners, many of which utilize chemical toner to provide outstanding color reproduction, have been developed and rigorously tested to ensure complete compatibility with the OEM toners and to provide OEM-equivalent image quality, image density, yields and fusing performance.

## Solid Inks ▶

This new Katun branded product line features solid inks for use in Xerox WorkCentre and Phaser applications that provide consistent performance and excellent print quality – with savings that help you build your bottom line profitability.
