Now you have an even bigger opportunity to reduce costs and increase profits with this OPC drum from Katun!

This Katun® Performance™ drum has been a proven success over the past year and we are pleased to announce its availability for use in the newer Konica Minolta Bizhub C224-series applications. This Universal OPC drum fits a wide range of models and delivers OEM-equivalent performance at a significant cost savings compared to the OEM product.

Benefits:

◆ Proven Success From An Industry Leader

Konica Minolta dealers and distributors around the world have enjoyed success and savings with Katun® Performance™ brand OPCs. The introduction of this OPC drum builds on that success and offers Katun customers even more opportunities to save!

◆ OEM-Equivalent Quality and Performance

Konica Minolta dealers can expect OEM-equivalent quality and performance throughout the life of this Katun® Performance™ OPC drum. Maintain high levels of end-user satisfaction while increasing your profitability!

◆ Reduced Cost Per Copy

Use of this Katun® Performance™ drum will reduce your cost-per-copy when compared to the OEM product, improving overall profitability without compromising quality, yield, or customer satisfaction. Konica Minolta dealers installing this drum will gain a competitive cost advantage over dealers installing the more expensive OEM drum units.

◆ Long Term Opportunity

Because these model applications are still current, this Katun® Performance™ drum will provide dealers with immediate and long-term opportunities to reduce expenses on a significant portion of their installed machine base.

**OEM drum unit disassembly/assembly instructions are available at www.katun.com/eu/resources/rebuild-instructions/*
