

# Katun Performance™ Monochrome Toners for use in

## Lexmark MS310/410/510/610-series

### Printers

Katun PN: See Page 2 • OEM PN: See Page 2

## Receive outstanding print quality and OEM-equivalent yields with these Katun Performance™ toners for use in Lexmark printers!

Katun adds two remanufactured printer toners – both standard and high-yield - to our comprehensive line of high-quality toners for use in Lexmark printers. Installing these Katun toners instead of OEM products will immediately increase your supplies profits – while ensuring high levels of customer satisfaction.

### Benefits:

#### ◆ Choose Katun for Consistent Quality and Outstanding Performance

These monochrome toners provide consistent image quality, image density and fusing, as well as outstanding overall performance. They have been developed and rigorously tested to ensure OEM-equivalent yields, plus forward and reverse compatibility with the OEM toner.

#### ◆ Increase Profitability Without Risk

Every business, whether large or small, is looking for ways to gain a competitive advantage. This toner offers OEM-equivalent print quality at a significant cost savings, which means you can improve your profitability without sacrificing quality.

#### ◆ A Growing Line for Today's Popular Printers

Katun offers a comprehensive line of toner cartridges for use in today's most popular Lexmark monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.

#### ◆ A Seamless Transition

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. They are developed and manufactured according to Katun's strict quality guidelines to ensure consistent quality and performance.

## Machine Overview

Introduced in 2012, this series of 35-50 ppm printers are ideal for mid-sized to large workgroups. This MS series of printers were discontinued by Lexmark in September 2015.

Model	Intro	Speed (PPM)	Mfg Status	Functions
MS310	Q4-2012	35	Discontinued	Print
