

# Katun Performance™ Monochrome Toner for use in

## Ricoh Aficio SP 5200-series

### Printers

Katun PN: See Page 2 • OEM PN: See Page 2

### This monochrome toner provides outstanding print quality and performance in Ricoh Aficio SP 5200/5210-series printers!

Katun introduces a remanufactured monochrome printer toner to our comprehensive Katun Performance™ line of high-quality toners for use in Ricoh MFPs. This new toner provides outstanding performance, remarkable print quality and significant cost savings vs. the OEM toner. As these printers are still actively being sold by Ricoh, this product provides dealers with immediate and long-term profit opportunities.

#### Benefits:

##### ◆ Choose Katun Toner for Outstanding Performance

You can trust Katun – this new monochrome toner has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & density
- Yields
- Fusing performance

##### ◆ Reduce Your Supplies Costs Now and in the Future

This toner offers OEM-equivalent print quality at a significant cost savings, which means you can improve your profitability without sacrificing quality. Additionally, since these printers are still actively being sold by Ricoh, this toner provides dealers with both immediate and long-term profit opportunities.

##### ◆ Consistent Quality and a Seamless Transition

These remanufactured toner cartridges fit, install and perform similar to the OEM product, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. This toner has been developed and manufactured according to Katun's strict quality guidelines to ensure consistent quality and performance.

##### ◆ A Growing Line You Can Count On

Katun offers a comprehensive line of toner cartridges for use in today's most popular Ricoh monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.

---

## Machine Overview

Introduced in 2012, this series of 45-50 ppm printers are ideal for mid-sized to large workgroups. According to Buyers Lab testing, these machines are reliable, competitively priced and provide lower than average cost per page output.

| Model                 | Intro   | Speed (PPM) | Mfg Status | Functions |
|-----------------------|---------|-------------|------------|-----------|
| Aficio SP 5200 Series | Q1-2012 | 45          | Current    | Print     |
| Aficio SP 5210 Series | Q1-2012 | 50          | Current    | Print     |

## Product Characteristics

| Region        | OEM PN | Katun PN | Yield* |
|---------------|--------|----------|--------|
| North America | 406683 | 47393    | 25,000 |
| Europe        | 406685 |          |        |

*\*Actual yield may vary depending on machine application, as well as machine, environmental and usage conditions.*
