

Personalized Products

from Katun

Promote your company name and increase customer loyalty with personalized products from Katun!

Your company name is the strength of your business. Reinforcing that strength with customers is essential for building repeat supplies business. With personalized products from Katun, customers see your name and phone number every time they replace copier toner, printer/fax toner cartridges, or waste toner containers.

Professionally printed, full-color labels on imaging supplies packaging clearly identify you as your customers' preferred source. For a one-time set-up fee and a small monthly charge, Katun designs and produces these labels to your specifications and applies them to Katun Performance™, Business Color and Katun Access™ packaging.
