KDFM Branding Program Registration Form

As a KDFM Premier member, Katun offer you the option to customize KDFM website portal with your Company's name, Colors and Logo. The branding program allows you to customize the KDFM portal's four key components: the Login Screen, Main Interface, Smart Alerts Emails and Online Help.

To order the KDFM branding package, please fill this registration form and return it to contract.dfm@katun.com with your logo files. Please allow two to three weeks for the branding process to complete. You will then receive a link to approve the branding on a staging website.

The KDFM branding program will be charged separately from the monthly subscription.
