

Make Your Business Stand Out with Personalized Labels from Katun

Ensure your customers know where to get their replacement supplies from and promote your company name

Katun have invested in providing a superior personalized label program with top quality printing machines and high-grade gloss labels. With a design of your choice, Katun will personalize the product packaging at the time of shipping, so your customer will always know where to order their next product from – you! Katun's New and Improved Personalized Program is available for all Katun branded toners and waste toner containers.

- ▶ **Fast turnaround!** Orders received before 12:00 PM CET will be shipped the same day
- ▶ **Professionally printed**, full-colour labels on imaging supplies packaging clearly identify you as your customer's preferred source
- ▶ **For a one-time set-up fee** and a small monthly charge*, Katun designs, produces and applies labels to Katun packaging.

For more information visit: www.katun.com/eu or contact your Katun representative.

*One time set up fee 75€/£, monthly charge 15€/£.
