Katun® & Print Audit Present:
Print Audit Accelerator & Print Audit Premier

MPS Programs that Generate Revenue While Helping You Win New Customers and Keep Current Customers!

Under traditional pricing models, print management solutions have greatly benefited end-user organizations and software vendors, but have done little to benefit the solutions provider. Katun® and Print Audit are changing that with two subscription offerings that help office equipment dealers, VARs and MPS providers acquire new customers, keep current customers, and increase revenue!

Choose the Program that Best Fits Your Needs:

Accelerator

Print Audit Accelerator is designed for office equipment dealers and MPS providers seeking a low cost device management solution to remotely collect meter reads, automate supplies fulfillment and report service information for managing fleets of printers and MFPs. Along with device monitoring, Accelerator also includes limited access to a variety of user management solutions which are used to analyze, reduce and recover document production costs by controlling workflow.

Accelerator Benefits
➤ Low monthly fee
➤ Two options (see page 2)
  • Device management
  • User management
➤ Training discounts and email support

Premier

Print Audit Premier is designed for office equipment dealers and MPS providers who not only require device management, but also wish to offer customers comprehensive user management capabilities in order to add value to their MPS programs. Premier provides virtually unlimited access to licensing for both device and user management solutions. This combination represents a comprehensive print management tool kit used to perform assessments, manage devices, control end user printing behavior, as well as capture revenue.

Premier Benefits
➤ Includes 25,000 units of licensing per month for device and user management, as well as unlimited assessment.
➤ Unlimited technical support for certified technicians.
➤ Access to free computer-based training.
➤ Discounts and promotions with industry partners.
➤ Promotion and referrals via Print Audit's website.
