KATUN®

Vacuums

Katun by SCS Vacuums

Same great vacuum - just a different name!
Our 3M Vacuum Products are Now "Katun by SCS"

Katun by SCS Vacuums are the service engineer's choice for efficient cleanup. Portability, quick setup, and efficient, safe operation are key features of every vacuum. Technologically advanced vacuum materials dissipate electrostatic buildup, thereby reducing the risk of shock damage to sensitive electronic equipment while protecting the service technician from electrostatic discharge.

- Type 2 filter
- Detachable power cord
- Stretch hose
- Crevice brush and nozzle
- Curved wand nozzle
- 3-year warranty

Katun by SCS Filters & Accessories

SCS configures filters with thin fibers in two different weaves to trap specific sizes of particles, and designs filter cartridges for easy installation and safe disposal.

Type 1: Fine Particle Filter. A highly concentrated weave (HEPA media) traps extremely fine particles. The Type 1 filter is designed for cleaning color laser printers, color copiers, and other highly sensitive machines that utilize toners of extremely fine particle size.

Type 2: Toner/Dust Filter. The Type 2 filter efficiently traps toner used in standard copiers and laser printers. It is also ideal for cleaning typewriters and data processing equipment. Type 2 is the standard filter type included with all SCS service vacuums

SCS Vacuum Accessories are designed to perform their intended tasks safely and efficiently, and are constructed of durable materials that withstand intensive use. Attachments fit all 3M, UltiVac, and Atrix service vacuums.

Screwdrivers

Katun provides only high-quality precision Phillips and flat tip screwdrivers, and service technicians notice the difference. The fit is perfect every time; tips provide maximum grip within the screw slot. Katun provides a variety of screwdrivers because we know the right tool is the tool best suited for the job – and not all jobs are the same. All handles are perfectly sized according to blade length, for maximum turning power without slipping or fatigue.

Lubricants & Adhesives

Lubricants & Adhesives

Dusting powder, super-lube, and multi-purpose grease – plus adhesives and tape – all from brand names that you trust. Katun’s dedication to providing high-quality, high-value products doesn’t apply only to toners, drums and parts – we take that approach with lubricants and adhesives as well.

KATUN®

KATUN[®]

Made by **SCS**

Electronic Service Vacuum

Quality Performance, High Efficiency System

Don't put your electronics at risk!

The Katun Electronic Vacuum by SCS is ideal for cleaning electronics that contain ESD sensitive components. The attachments are all static dissipative which will reduce the risk of damage by not generating a static charge. Charges generated are safely dissipated back through the electrically grounded motor, protecting your devices. You can also expand the capabilities of your vacuum by using the various attachments included.

The Electronic Service Vacuum comes complete with:

Type 2 Filter
8 Foot Power Cord
5 Foot Hose
Wand

Crevice Tool
Crevice Tool Brush
Dust Brush
Needle Nose Nozzle

Katun also offers both SCS Type 1 and Type 2 filters to provide filtration for various particulate sizes.

Type 1 Filter

A thinner, more concentrated weave (HEPA media) for trapping extremely fine particles. Typical applications: color laser printers, color copiers and highly sensitive equipment.

Type 2 Filter

Specially designed for trapping unwanted toner from copiers and laser printers. Also ideal for cleaning keyboards, fans and other household dust.

High Efficiency

Quick Setup

Detachable Powercord

Innovolt Power Protection Solutions

CoreProtect

Protection against all 5 major power disturbances:

- Voltage Sag
- Brownout
- Over Voltage
- Blackout
- Surge

Plus

- Network Surge
- Tele/Fax Surge
- MOV Status Reporting

Katun Part #: 47357

SmartProtect Plus

SmartProtect features plus:

- Internet Connected for Automatic Data Collection
- Remote Power Cycling

Katun Part #: 47199

Comprehensive power protection technologies and analytics capabilities that help customers increase the uptime and lower the total cost of ownership of electronic equipment, multiple solutions to fit every need.
