

Katun Performance™ Color Toners for use in

HP Color LJ Enterprise M651-series

Printers

Katun PN: See Page 2 • OEM PN: See Page 2

These Katun color toners provide outstanding print quality and performance in HP M651 printers!

Katun introduces a group of color printer toners to our comprehensive line of high-quality toners for use in HP printers. These Katun Performance™ color toners provide outstanding performance, remarkable print quality and significant cost savings. As the printers are still being currently sold by HP, these Katun toners provide dealers with immediate and long term cost savings and profit opportunities.

Benefits:

◆ Choose Katun Toner for Consistent Quality and Performance

You can trust Katun – these new color toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & color reproduction
- Yields
- Fusing performance

◆ Reduce Your Supplies Costs

Every business, whether large or small, is looking for ways to gain a competitive advantage. These toners offer OEM-equivalent performance at a significant cost savings, which means you can improve your profitability without sacrificing quality.

◆ A Smooth Transition

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun toner seamless for your customers. All Katun Performance™ toner cartridges are developed and manufactured according to Katun's strict quality guidelines to ensure consistent quality and performance.

◆ A Growing Line You Can Count On

Katun offers a comprehensive line of toner cartridges for use in the most popular HP monochrome and color multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.

Machine Overview

Introduced in early 2014, this series of 45 ppm printers is ideal for mid to large sized offices that need full feature color printing in a high volume device. In addition to providing excellent output, these devices feature a highly reliable engine, intuitive design with a full-color touch screen control panel, cloud based storage and remote device monitoring and management.

Model	Intro	Speed (PPM)	Mfg Status	Functions
LJ Enterprise M651 series	Q2-2014	45	Current	Print
LJ Enterprise M680 series (CF320A Only)	Q2-2014	45	Current	Fax/Print/Scan

Product Characteristics

Model	Color	OEM PN	Katun PN	Yield*
Color LJ Enterprise M651/ Color Enterprise M680	Black	CF320A	48361	11,500
Color LJ Enterprise M51 series	Black	CF330X	48362	20,500
	Cyan	CF331A	48363	15,000
	Magenta	CF333A	48364	15,000
	Yellow	CF332A	48365	15,000

**Actual yield may vary depending on machine application, as well as machine, environmental and usage conditions.*

Important Note

The standard yield black cartridge (CF320A) is a universal cartridge that functions in the Color LJ Enterprise M680 series MFPs, in addition to the Color LJ Enterprise M651 printers. Like HP's OEM offering, the high yield black and color cartridges (CF330, CF331A-333A) will not function in the Color LJ Enterprise M680 MFPs.

You can depend on Katun's expertise
