Katun Performance™ Monochrome Toners for use in

HP LJ Enterprise M806-series

Printers
Katun PN: See Page 2 • OEM PN: See Page 2

Increase your profitability by switching to Katun toners for use in HP M806 and M830 printers!

Katun introduces a monochrome printer toner cartridge to our comprehensive line of high-quality toners for use in HP printers. This remanufactured Katun Performance™ toner cartridge provides outstanding performance, remarkable print quality and significant cost savings. As these printers are still being currently sold by HP, this Katun toner provides dealers with immediate and long term cost savings and profit opportunities.

Benefits:

◆ **Choose Katun Toner for Outstanding Performance**
You can trust Katun – this remanufactured toner cartridge has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding image quality and performance plus OEM-equivalent yields.

◆ **A Seamless Transition**
This remanufactured toner cartridge fits, installs, and performs similar to the OEM product, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. This Katun Performance™ toner cartridge has been developed and manufactured according to Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **Increase Your Profits**
This toner offers significant cost savings; improve your profitability without sacrificing quality.

◆ **A Growing Line Provides You With More Options**
Katun offers a comprehensive line of toner cartridges for use in the most popular HP monochrome and color printers and multifunctional equipment, enabling you to meet the supplies needs of all your customers.

KATUN®

Machine Overview

Introduced in late 2012, this series of 55 ppm printers and multifunctional devices is ideal for larger workgroups that require monochrome printing in a high-volume 11x17 capable device. In addition to providing excellent output, these devices feature a highly reliable engine, intuitive design with a full-color touch screen control panel, cloud based storage and remote device monitoring and management.

Model	Intro	Speed (PPM)	Mfg Status	Functions
LJ Enterprise M806 series	Q4-2013	55	Current	Print
LJ Enterprise Flow M830 series	Q4-2013	55	Current	Fax/Print/Scan

Product Characteristics

Model	Color	OEM PN	Katun PN	Yield*
LJ Enterprise M806/ Enterprise Flow M830	Black	CF325X	48259	34,500

Actual yield may vary depending on machine application, as well as machine, environmental and usage conditions.

You can depend on Katun's expertise

Katun Corporation is one of the world's largest suppliers of OEM-compatible imaging supplies, photoreceptors, parts and other select products for the office equipment industry.
