

# Increase Service Profitability on Your Sharp Machines with:

## Katun Waste Toner Containers

Waste toner containers have become extremely complex. This increased complexity means you may be paying more for OEM products than ever before. Why waste a great opportunity to increase service profits by paying high OEM prices? Katun® Waste Toner Containers for use in Sharp machines are designed to fit and perform similar to the OEM product, **but at a significantly lower cost.**

| Model Series                                                                                                                                                                | Katun Part Number | OEM Part Number           | Price* |
