

Suite Complete

High-Quality Parts and Supplies from Katun

For use in:

Sharp MX 283 N-series

Count on Katun product suites for quality, cost savings, dependability and convenience.

Katun provides imaging supplies, photoreceptors and parts for copiers, printers, and multifunctional devices for virtually every leading original equipment manufacturer in the imaging industry. In our fifth decade as one of the world's leading industry providers, we bring technical expertise, comprehensive product testing and a dedicated staff of engineers, OEM-trained technicians, scientists, intellectual property lawyers and product experts into our product development processes to ensure all Katun products meet your expectations.

Each Katun product suite offers a comprehensive selection of products for a popular OEM model series. Convenient and cost effective, Katun product suites offer unsurpassed value, and each product can be ordered via the Katun Online Catalog or through your Katun customer service or sales representative.

To reference our product suite offering, refer to page two of this document.
