

Cash·4·CoresSM

GO GREEN!

Reduce environmental waste, save on costly disposal fees, and gain access to high-quality, cost effective replacement products for your fleet of copiers, printers and MFPs!

Help preserve the environment and save money with Katun's recycled drum units and fuser units/assemblies.

Katun's Core Return Program!

Our **Cash·4·CoresSM** recycling program is simple. For specific models, you send us your used drum unit and fuser unit/assembly cores, and you are paid money for those cores that have been determined to be in useable condition*. **We pay the shipping!**
