

Cash·4·CoresSM

GO GREEN!

Reduce environmental waste, save on costly disposal fees, and gain access to high-quality, cost effective replacement products for your fleet of copiers, printers and MFPs!

Help preserve the environment and save money with Katun's recycled drum units and fuser units/assemblies.

Katun's Core Return Program!

Our **Cash·4·CoresSM** recycling program is simple. For specific models, you send us your used drum unit and imaging unit cores, and you are paid money for those cores that have been determined to be in usable condition*. **We pay the shipping!**

Drum Unit Cores Being Accepted Include:
