

Katun Performance™ Black and Color Drum Units for use in:

Konica Minolta bizhub 224e-series and C224-series

MFPs

Katun PN: 47485 and 47486

OEM PN: A2XN0RD, DR-512K (Black)
and A0XN0TD, DR-512 (C M Y)

These Katun black and color OPC drum units enable Konica Minolta dealers to save money without sacrificing image quality or performance!

Katun is pleased to introduce Katun Performance™ remanufactured drum units for a wide range of Konica Minolta monochrome and color applications. These drum units offer outstanding performance at a significantly lower cost – providing dealers with an outstanding profit opportunity for this large machine base.

Benefits:

◆ A Cost Savings Opportunity Only From Katun!

Katun is the first and only aftermarket company to provide OEM-compatible remanufactured drum units for these Konica Minolta color applications. You now have the option to choose between the higher-cost OEM drum unit or the lower-cost Katun Performance™ product.

◆ All New Components Ensure Exceptional Quality

These Katun drum units are remanufactured and assembled with all new components, including Katun-exclusive OPC drums, drum cleaning blades, charge components, and re-set chips. In addition, each drum unit is produced in accordance with Katun's four-part drum cartridge remanufacturing process, ensuring consistent quality and exceptional performance – at a superior value.

◆ OEM-Equivalent Performance

During extensive laboratory testing, these Katun Performance™ drum units produced image density, life, and overall performance equivalent to the OEM product. Additionally, the Katun drum units offer easy, drop-in installation, just like the OEM product.

◆ Fit and Function in Develop Applications

These Katun Performance™ drum units will provide dealers with an opportunity to reduce expenses on their installed Develop INEO +224, +284, +364, +454, & +554 machine base.

Model Overview

(Monochrome applications use 1 black drum unit. Color applications use 1 black and 3 color drum units – color drum is common, not color specific)
