

# What a Waste!

Why Waste Your Profits on Expensive OEM Waste Toner Containers?

**Choose Katun® Waste Toner Containers for use in Ricoh instead!**

Over the past few years, waste toner containers have become significantly more complex.

Many now have multiple fill holes, mechanisms for evenly distributing waste toner within the container, and devices capable of engaging with machine sensors that indicate when the container is full. This increased complexity means you may be paying more than ever before for OEM waste toner containers.

## **Katun® Waste Toner Containers**

Designed to fit and perform like the OEM product, but at *significantly less cost to you*. Katun's OEM-equivalent performance makes transitioning to Katun products an easy and seamless choice ... and a smart one as well.
