Choose Katun's Media Sciences® Colour Toner for Your Laser Printers!

**Katun carries Media Sciences® brand colour toner
for most of today's popular laser printers.**

For more than three decades, Katun has been one of the world's leading providers of OEM-compatible imaging supplies and parts for copiers, printers, MFPs and other imaging equipment. Today, Katun serves 14,000 customers in 138 countries from our headquarters in Minneapolis and dozens of worldwide locations.

New-Build Colour Laser Toner Cartridges

As a premium quality alternative to the printer manufacturer's brand, Media Sciences® **new-build** colour toner for use in popular colour printers deliver significant savings compared to the printer manufacturer's brand. Behind every Media Sciences® printer product is our comprehensive qualification process for engineering high-quality, **new-build** colour cartridges at very competitive price levels.

HOT PRODUCTS!

Remanufactured Colour Laser Toner Cartridges

These **remanufactured** toner cartridges provide the same high-quality performance and value that customers enjoy from current Media Sciences® new-build colour toners. These colour toners, many of which utilize chemical toner to provide outstanding colour reproduction, have been developed and rigorously tested to ensure complete compatibility with the OEM toners and to provide OEM-equivalent image quality, image density, yields and fusing performance.

Solid Inks ▶

This new Katun branded product line features solid inks for use in Xerox WorkCentre and Phaser applications that provide consistent performance and excellent print quality – with savings that help you build your bottom line profitability.
