Choose Katun toners and receive outstanding print quality and overall performance in your Lexmark MS 310/410/510/610-series printers!

Katun introduces remanufactured monochrome printer toners to our growing line of high-quality toners for use in Lexmark printers and MFPs. These new Katun Performance™ toners provide outstanding performance, remarkable print quality and significant cost savings.

Benefits:

◆ **Choose Katun Toner for Consistent Quality and Performance**
You can trust Katun – these remanufactured monochrome toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & density
- Yields
- Fusing performance

◆ **Reduce Your Supplies Costs Now and in the Future**
Improve your profitability without sacrificing quality or customer satisfaction. Although these mid-size workgroup printers are no longer sold by Lexmark, machines in the field are likely to exhibit longer-than-average machine lives due to their track record of durability and infrequent performance issues.

◆ **A Smooth Transition from OEM Toner**
These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. All Katun Performance™ toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent quality and performance.

◆ **Your Best MPS Partner**
Katun is your ideal MPS partner, offering a wide range of imaging supplies across multiple machine platforms and OEMs, including these quality laser cartridges for your Lexmark machines.

◆ **A Growing Line You Can Count On**
Katun offers a growing line of toner cartridges for use in the most popular Lexmark monochrome and color printers and multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.
